

INDEX TO VOLUME XVIII

1936

SUBJECTS

- A national program of farm management research, 153
- A pattern of research in agricultural economics, 281
- A review of the oleomargarine situation, 616
- AAA and national recovery, 229
- AAA reductions, relation to gold prices and purchasing power, 761
- Agricultural adjustment and farm tenure, 469
- Agricultural adjustment and rehabilitation, farm management research in relation to, 180
- Agricultural adjustment concept, fundamental significance of, 244
- Agricultural adjustment, validity of the fundamental assumptions underlying, 12, 27
- Agricultural economics research, 296
- Agricultural information, developments designed to extend the scope and improve the accuracy of, 131
- Agricultural policy and the economist, 311
- Agricultural planning, progress and problems from a national point of view, 95
- Agricultural planning, progress and problems in the New England and Middle Atlantic states, 64
- Agricultural planning, progress and problems in the North Central states, 75
- Agricultural planning, progress and problems in the Southern states, 86
- Agricultural program in Canada, some observations on, 59
- Agricultural statistics, some state problems and importance of state work to the federal program, 107
- Agriculture and industry, production control in, 453
- Annual reports, 223
- Appraisal, the grading of land for purposes of, 523
- Argentine experience with farm relief, 556
- Books received, 199, 431, 622, 771
- Book reviews, 200, 432, 623, 772
- California agricultural prorate act constitutional, 421
- Consumption and demand for milk, research, 330
- Corn Yield and acreage, the relationship between, 597
- Costs, monthly poultry, and returns, 706
- Costs of distributing milk, research in, 338
- Cotton gins as public utilities, 587
- Cotton, relation of AAA reductions to purchasing power, 761
- County government, some problems of, 711
- County consolidation, 422
- Credit unions, rural cooperative, 662
- Crop estimates, an appraisal of the 1935 census from the viewpoint of, 143
- Czechoslovakian land reform, results of, 425
- Dairy marketing classification and summary of research projects in, 320
- Dairy marketing research, 363
- Dairy marketing, transportation, 352
- Economic status of tenure groups in Talapoosa and Chambers Counties, Alabama, 613
- Factors, combination of different efficiencies, 743
- Farm credit research in the F.C.A., 608
- Farm credit system, our, 672
- Farm economists and agricultural planning, 1
- Farm finance in New Zealand, reorganization, 568
- Farm management research, a national program of, 153
- Farm management research and changing price relationships, 750
- Farm management research in relation to agricultural adjustment and rehabilitation, 180
- Farm management research, statistical analysis in, 169
- Farm relief measures, Argentine experience with, 556
- Farm tenure, agricultural adjustment and, 469
- Foods consumption survey, New York, 388
- Fruit and vegetable marketing, motor truck in relation to, 372
- Fruits and vegetables, research in marketing, 369
- Fundamental significance of agricultural adjustment concept, 244
- Grading fruits and vegetables, research basis for, 393
- Grain monopoly in Czechoslovakia, 768
- "Generalists," the need for, 657
- Hard roads and electric lines, planning location of, 500
- Index numbers, need for area, 748

- International trade in agricultural products, 427
- Interrelationships of livestock production and cropping systems on Iowa farms, 695
- Irrigation, policies and programs of, 543
- Italian battle of wheat, 645
- Land grades, 523
- Land utilization, controlling, 477
- Land utilization in Nova Scotia, 533
- Land utilization, migration required for best, 493
- Land values as affected by roads and distance, 724
- Livestock production and cropping systems on Iowa farms, interrelationships of, 695
- Marketing fruits and vegetables, urgent needs for research in, 405
- Marketing hogs in cornbelt, 685
- Marketing research needs of the dairy industry, 363
- Migration, a requirement for best land use, 493
- Milk prices, some effects of maintaining at artificial levels, 759
- Mortgage adjustment in New Zealand, 568
- Motor truck in relation to fruit and vegetable marketing, 372
- National income and what we know about it, 745
- National land program, social and economic implications, 257
- National recovery, AAA and, 229
- Need for "Generalists," the, 657
- News Items, 220, 447, 638, 785
- New York foods consumption survey, 388
- New Zealand mortgage adjustment and the reorganization of farm finance in, 568
- Nova Scotia, land utilization in, 533
- Ordinances for rural zoning, the enactment and administration of, 508
- Our farm credit system, 673
- Part-time farming, 191
- Pasture, use of in fluid milk production, 197
- Planning, farm economists and, 1
- Planning location of hard roads and electric lines, 500
- Poultry costs and returns monthly, 706
- Price relationships, farm management research and, 750
- Production control in agriculture and industry, 453
- Program for annual meeting, 793
- Progress and problems in regional agricultural planning from a national point of view, 95
- Progress and problems of agricultural planning in the New England and Middle Atlantic States, 64
- Progress and problems of agricultural planning in the North Central states, 75
- Progress and problems of agricultural planning in the Southern states, 86
- Prorate act constitutional, California, 421
- Public utilities, cotton gins as, 587
- Relationship between corn yield and acreage, 597
- Research, basis of grading fruits and vegetables, 393
- Research in agricultural economics, a pattern of, 281
- Research in agricultural economics from standpoint of states, 296
- Research in consumption and demand for milk, 330
- Research in costs of distributing milk, 338
- Research in dairy marketing, 320
- Research in marketing fruits and vegetables, 369
- Results of Czechoslovakian land reform, 425
- Roads and distance, land values affected by, 724
- Rural cooperative credit unions, 662
- Rural county zoning ordinances, 508
- Rural zoning, 447, 508
- Short-time wheat prices, technical conditions, factors, 736
- Social and economic implications of the national land program, 257
- Some new developments designed to extend the scope and improve the accuracy of agricultural information, 131
- Some observations on the agricultural program in Canada, 59
- Some state problems in agricultural statistics and the importance of state work to the federal program, 107
- Statistical analysis in farm management research, 169
- Teaching of economics, do present trends jeopardize future value of research? 755
- Terracing farm land cooperatively, cost of, 765
- The economist, agricultural policy, 311
- The 1936 agricultural census of the provinces of Manitoba, Saskatchewan and Alberta, 610
- The 1935 census—an appraisal from the viewpoint of crop estimates, 143
- The northern Great Plains region, irrigation policies and programs of, 543
- Transportation of milk in the St. Louis milkshed, 352
- Transporting hogs to market, 685

Urgent needs for research in marketing fruits and vegetables, 405
 Use of pasture in the economic production of fluid milk in Delaware, 197
 Validity of the fundamental assumptions

underlying agricultural adjustment, 12, 27

Wheat, Italian battle of, 645
 Wheat prices, technical conditions, important factors in short-time, 736
